

Prayer of Protection.

O LORD, you are our protector and helper; I call upon you today for those who are in pain and trouble. Support and strengthen them. God of grace, grant your help to those who are experiencing mental troubles. God of mercy, grant your healing to those who are experiencing physical pain. God of compassion, grant your comfort to those who are experiencing relational difficulties. God of love, grant your strength to those who are experiencing spiritual troubles. Faithful God, protect us all, and help us in our times of trouble. God, send your help and support to us. Amen.

Today's Question: Pray today's prayer. Pray with that scripture.

Today's Scripture: How much more will the blood of Christ, who through the eternal Spirit offered himself without blemish to God, purify our conscience from dead works to worship the living God! Hebrews 9:14, NRSV

This Week: pray for refugees.

Prayer.

For God's wisdom and guidance for the Council in their preparation for next year.

For the BLC Pastors, the community, and families.

For healing for all those who are facing health challenges; for grace, strength and providence for their families and caregivers.

For our the needs of our OA brethren in Camerons.

That we would grow in the love of Christ and unity of faith.

Adapted from the 24-7 Malaysia:

For elected leaders to carry out their entrusted responsibilities with wisdom and humility.

For the current Parliament sessions and wise decisions to be established (ongoing from 15 Oct to 11 Dec, 2018), for the well-being of the nation overall.

Pray for the AG, Tommy Thomas, and his team as they advise the government on legal ongoing matters pertaining to the nation.

For God's protection, wisdom, continual guidance and authority for the current government to set things in right order; to provide a foundational framework of governance that facilitates and rewards truth, righteousness, justice, wisdom, mercy, humility. Also for protection of our borders.

For the world: For those affected by the Lion Air (JT610) crash in Indonesia.
